

Zena Measuring Guide

Instructions:

- 1- Print both pages
- 2- Cut along the cut line
- 3- Match the Page Marks from page 1 to page 2 (tape together to make life a bit easier)
- 4- Place your foot on this guide
- 5- Measure total length of foot from heel to big toe

Notes:

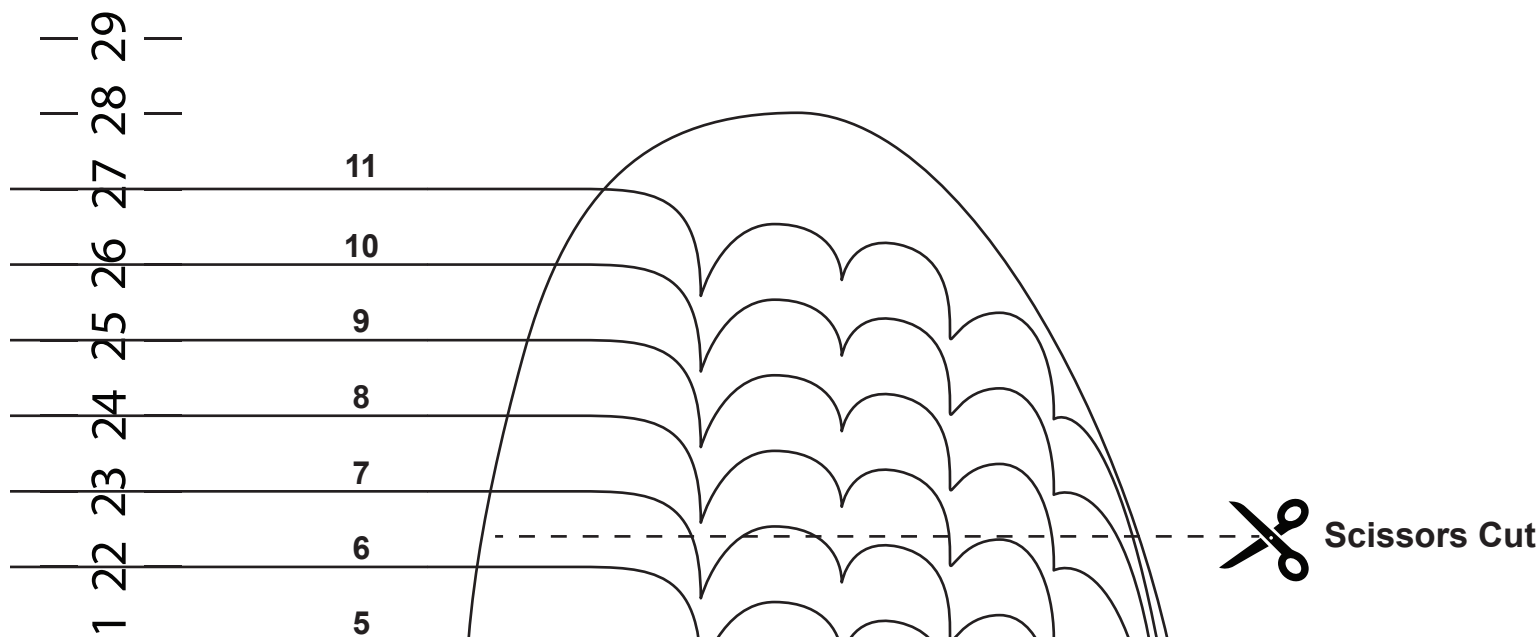

Measurements are in centimeters

As a general rule – if you normally wear a 7.5, buy a 7.5

If you wear thick socks or 2 pairs of socks – please order a half size larger than normal
